Unlock Nursing Assessment Questions

Using the SAGE Video instructor verification code

SAGE Video streaming collections are developed in partnership with leading academics, societies, and practitioners to deliver cutting-edge teaching and research-oriented video. The **SAGE Video Nursing Collection** is accompanied by instructor-only assessment questions for select videos in downloadable and editable formats. Questions are specifically curated to help supplement corresponding video content.

To access the assessment question feature using your library's verification code, follow these steps:

- Access SAGE Knowledge and click Profile to log in or create a new profile
- You can also access this page directly at sk.sagepub.com/profile
- This will load the My Profile page
- Scroll down until you find the SAGE Video: Nursing Instructor Access checkbox. When you select the checkbox, a Verification Code field will appear. Input your code into this box and click Save at the bottom of the page. Remember that the code is case sensitive.
